

March 13, 2009

We are glad to have been a part of the 2009 Carrollton Town Planner. We've had an excellent turnout from the coupons and continue to get a steady response from them. The Town Planner is bringing in new customers who, when they see what we have to offer, come back again and again. We appreciate the calendar and how it positions our restaurant as a member of the community.

I can wholeheartedly recommend the Town Planner community calendar to any local business looking to increase their traffic. We are excited to renew for 2010 to see what our second year will bring!

Thank you again for including us.

Sincerely,

Tash Tasova  
Olive Tree Restaurant
