Burger 'N Brew

July 16, 2009

Re: Marlene Schmitzger

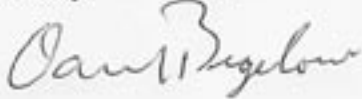

To whom it may concern:

I have known Marlene Schmitzger for several years, both professionally and as a friend. I have the utmost respect for her as a person and as a marketing professional.

I have enjoyed working with Marlene for several reasons. She has always been upfront and honest with us and we have developed a high level of trust with her. She is pleasant to work with and we appreciate her viewpoints and ideas. It is very nice to have someone you trust when dealing with something so subjective and confusing as advertising.

We plan on continuing to work with Marlene, and are looking to future Town Planner calendars.

Sincerely,

Dave Bigelow
