

Town Planner Calendar

To All Those sitting on the FENCE!

I am very careful about where I place my advertising money! I am not an advertising expert, but this is what I do know...I know that when I advertise in the paper, radio or TV, I have very little proof about how effective my ads really are!

However, with Town Planner Calendar, I received hard core proof of it's out reach! I was blown away with how many coupons we received back! I knew that we were reaching out to people who had never experienced donnie mac's...Trailer Park Cuisine. This is what advertising is all about...reaching out to new customers and continually reminding our present customers...HEY remember US? I fully and confidently endorse Town Planner Calendar as an effective way to let our community know....HERE WE ARE & COME EXPERIENCE US!

Sincerely,

Donnie MacKenzie
