

Calhoun Street 3 Soups, Salads, and Spirits

March 6, 2012

This is my second year with the Town Planner. The Town Planner is still increasing my business. I get several coupons a day. As last year, I continue to see them come in steadily.

Town Planner is a good value. I am continuing to get a good and steady return on my investment.

We have received 31 coupons from February 8 to March 6<sup>th</sup>.

Bev is easy to work with and the calendar is very nice!
