March 20, 2014

We have just renewed our Town Planner sponsorship for the eighth straight year, and I can say without any reservation that participation has been a very good investment.

We see consistent return in our coupons on a daily basis, with many being new customers. The Town Planner website and e-newsletter are a great complement to the print calendar, and have given us additional exposure for our events, coupons, and weekly specials.

Furthermore, I appreciate the service that the Town Planner provides to our local community-event promotion, money saving offers, school schedules, etc., and the opportunity we have as a business, to be a part of providing something that is appreciated and so widely used.

Sincerely,

Charyl C. Porter
President
