

Potential Town Planner Customers,

3 Squares has been involved with Town Planner for the past year and renewed for another year. I have been very pleased with the results and the ease that Brian and the Town Planner team created for our restaurant. I have continually seen a steady flow of offers that come in each night.

I have seen an average of 5-10 coupons come in each day. Each coupon delivers about a \$35 net for each table. This translates to an average of \$1,820 in additional NET sales a week!

Brian and the Town Planner team has been professional, courteous, and accommodating in payment methods. Brian is able to break down payments for each month, which helps control any other advertising budget you may have as well.

Town Planner has been such a success that another one of our restaurants, Edina Grill, has joined in!

Cheers to you, Brian, and here's to another successful year!
