Nancy Deruscia
Town Planner

Dear Nancy:

I would like to tell you how pleased we are with the results from using the Town Planner as part of our local advertising. The response has been overwhelming and we really feel our business has grown due to people using the coupons.

As you know we are a casual deli-style restaurant and deal with many customers stopping in before and after events with their children. Our coupons are a great way to eat well and stay within a family budget!

We look forward to a continuing relationship with your publication.

Sincerely,

Robert D. Bevington, Owner
